Your safety within the natural surroundings of Naturist Legacy Park is your responsibility. A wide variety of plants and animals are found here, some of which may be dangerous. Learn to identify and avoid poison ivy and other noxious plants. Never ingest unknown plants or their fruit. Animals that you encounter should be considered wild and potentially dangerous.

Naturist Legacy is affiliated with the Federation of Canadian Naturists (FCN — <http://www.fcn.ca/>) and the American Association for Nude Recreation (AANR — <http://www.aanr.com/>). We encourage personal membership in these organizations as a way to support the national and international naturist/nudist community. Please ask us for assistance if you would like to join either of these organizations.
