

Subject: Bare Facts Mailing Error

From: "Barefacts" <barefacts@naturistlegacy.org>

Date: 5/4/2017, 5:28 PM

To: "Barefacts" <barefacts@naturistlegacy.org>

Dear members, I wish to apologize for not addressing the most recent Bare Facts appropriately. It is, and always will be, Naturist Legacy's intention to respect member's privacy and this includes private email addresses. Unfortunately I neglected to do so on this recent mailing and inadvertently exposed your personal email addresses to the other email recipients. I take full responsibility for this error and sincerely apologize.

Brian S
